DR. ROGERS' LIVER WORTH AND TAR FOR THE COMPLETE CORE OF

Coughs, Odds, Influence, Asthma, Bernehitis, spitting of Blood, and all other Lung Completeds tending to CONSUMPTION. THE GREAT COUGH REMEDY! THE GREAT COUGH REMEDY!

READER! have you a Gough, which you are neglecting, under the idea that it is only a common cold, that it will soon "wear itself out?" Let a friend tell you, in all kindness, what will soon be the probable result.

In a short time, it you continue to neglect yourself, you will begin to feel a sense of tightness and oppression across the chest, accompanied with frequent sharp darring pains. Then a dry, hacking Cough will set in, and when you raise anything it will be a thick and yellowish, or white frothy matter, streaked, perhaps, with blood. If you still take no medicine, these unpleasant symptoms will increase, and you will soon have Hecke Fever, Cold Chills, Night Sweats, Copious Expectoration, and then Great Prostration. If you still

medicine, these unpleasant symptons will increase, and you will soon have Heetic Fever, Cold Chills, Night Sweats, Copious Expectoration, and then the Frestration. If you still neglect yourself, a few weeks or months will see you consign ed to the grave, leaving your friends to mourn how rapidly CONSUMPTION did its work, and hurried you sway.

Friend! have you no cause to be alarmed? In the above sketch you may see as in a glass, how every case of Consumption progresses, with more or less rapidity, to a fatal termination. Of all the Thousands and Millions whom this great Destroyer has gathered to the tomb, every single case began with a Cold! If this had been attended to, all might have been well but, being neglected, under the fatal deliasion to the substance of the Longs, exciting there the fatalities of tubercles. Another, and another cold added fuel to the fame, until these tubercles began to soften and suppurate eaving, by their ulceration, great cavities in the Longs. At his crisis, the disease is very difficult of cure, and oftentime, sets at defiance all human means.

In the latter or worst stage, this medicine will oftentimes arrest the disease, or check its progress, and will always make the patient more comfortable, and prolong his life, and is therefore worthy of a trial;—but in its incipient or forming periods, Consumption is as curable as any other disease, and "Pr. Rogers Syrup of Liverworth, Tar, and Canchalagoa," if taken at this time, will cure it [28] As SURELY As IT IS TAKEN! [22] This is strong language, but we can refer you to numberless living witnesses to prove that it is TRUE. And therefore, we earnestly exhort every man, woman and child, who has a Cough, or is subject to Colds, to keep medicine by you in the house; and whenever you take Cold, do not "let it alone" to work mischief in your system, but cradicate it thoroughly, at once, by this power, fully healing compound and leave your Lungs uninjured, to carry you in fall vigor to a good old age!

MOTHERS!

MOTHERS!

Have you delicata, weakly children, who are always taking cold, and subject to Croup? Remember? There never was case of Croup, which did not originate in a Cold! And when your child goes to bed wheezing and coughing, you know not that, before morning. Croup may not set in, and ere you can get a Physician, your dear child may be beyond the reach of belp. We beseech you therefore, as you value the lives of your children, keep this medicine by you in the house, and when your little ones take cold and commence coughing, give it to them at once, and rest not until the c-agh is entirely subdued. We conscientiously aver, after the most extended experience, that if this advice were followed no child need ever no child need ever

no child need ever

DIE OF CROUP, a

for the cold would be cured, before it could arrive at this aggravated and fatal stage. Let every Mother, especially, bond well these remarks, that she may not hereafter, when mourning over the early blight of some cherished blossom, have occasion bitterly to repreach herself for her criminal neglect. It is an old adage, that "to be forwarned, is to be forearmed."

Parental so let it he in courses. Parents! so let it be in your case.

Be sure to ask for Dr. A. Rogers' Syrup of LIVERWORT,
TAR and CANCHALAGUA, and let no other be palmed on
you.
